CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

In 2015, the City of Altoona developed the 2015-2019 Consolidated Plan. As part of the Consolidated Plan process, the city must detail a specific one-year plan for the use of U.S. Department of Housing and Urban Development (HUD) formula grant funds. Program Year 2017 is the third year of the 5-year plan. This one-year action plan is based upon the housing and community priority needs as defined in the Consolidated Plan along with the financial resources anticipated to be made available to address those needs during each fiscal year. The Annual Action Plan guides the allocations of resources and other investment decisions made by the City to assist lower income Altoona residents and neighborhoods. This reports represents accomplishments achieved from July 1, 2017 through June 30, 2018.

At the beginning of the 2017 Program Year, the City of Altoona had \$923,079.52 of unexpended but committed funds from the previous reporting period. In Program Year 2017 the City received an entitlement of \$1,427,987.00 of CDBG funds and \$302,592.91 of program income. The City also had an adjustment of \$9,342.76 addition to our lien of credit for IDIS Activity 1069. This was due to return funds of \$7,689.82 into the 2014 program year, \$217.78 into the 2015 program year and \$1,436.16 into the 2016 program year. The return funds were expended under the Administration line item, but the draws are not reflected in the PR26 Report. During the 2017 Program Year the City expended a total of \$260,807.84 or 15% on administrative activities; \$1,203,751.82 or 84.32% on activities that benefitted low/moderate income persons; \$204,488.46 or 12.16% of the total low/moderate was expended in the public service category and \$223,898.88 or 16% was expended on slum and blight activities.

At the beginning of Program Year 2017 the City of Altoona has \$286,925.90 of unexpended, but committed HOME funds. The HOME Investment Partnership Program received \$193,540.00 in Program Year 2017 with 10% or \$19,354.00 for administrative costs, 15% or \$29,031.00 set aside for the CHDO and \$145,155.00 for projects costs. Total funds expended for PY 2017 is \$266,034.85 consisting of Administrative costs of \$23,180.92 and \$242,853.93 in project costs.

Table 1 - Accomplishments - Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

See Attachment "1" - for more detail on the following CDBG and HOME Projects outcomes and expenditures.

HIGH PRIORITY:

Housing - The need to improve the quality of the housing stock in the community and to increase the supply of affordable, decent, safe, accessible, and sanitary housing for home-owners, renters and homebuyers

Goal: Increase the supply of affordable, decent, safe and sanitary housing through the rehabilitation of existing owner-occupied and rental housing stock in the City

- This was accomplished through the CDBG Single Family Homeowner Rehabilitation Program, the HOME Rental Rehabilitation Program and the IDA Lexington Park Apartments projects.
- The HOME Woodrow Wilson Gardens Low-Income Elderly Development parking lot upgrade is currently underway and will continue through the 2018 program year

Community Development – The need to improve community facilities, infrastructure, public services, and the quality of life in the City of Altoona

Goal: Improve the City's public facilities and infrastructure through rehabilitation and new construction

 This was accomplished through the Street Reconstruction Project and the Hamilton Park Improvements Phase I Project in Low/moderate income areas of the City of Altoona.

Goal: Continue neighborhood policing to reduce the incidences of crime and violations of public safety in low- and moderate-income areas

 This was accomplished through the Neighborhood Police Bicycle Patrol in primarily residential low/moderate income areas of the City and in the Evergreen Manor low/moderate income housing development.

Goal: Continue a systematic code enforcement program to ensure that the existing housing stock will be decent, safe and sanitary

 This was accomplished through the Safe Housing/Healthy Living Program, known as one code enforcement officer designated to the deteriorated and/or deteriorating low/mod income areas of the City.

Goal: Remove and eliminate slum and blighting conditions throughout the City through demolition and clearance

 This was accomplished through the Blighted Property Demolition and Safeguarding Program.

Administration, Planning, and Management Priority – The continuing need for planning, administration, management, and oversight of federal, state, and local funded programs.

Goal: Overall coordination and Special Studies/Management

 Planning and Community Development Administration - Continued management and monitoring of the CDBG and HOME Grant Programs by the Community Development Staff.

Table 3 - Resources Made Available

Narrative

The City of Altoona had \$923,079.52 of unexpended, but committed, CDBG funds at the end of the previous program year and received \$1,427,987 of PY2017 CDBG entitlement funds and \$302,592.91 of program income (projected total program income at the beginning of the PY2017 was \$162,000.00). The City of Altoona had an adjustment of \$9,342.76 addition to our line of credit for IDIS Activity 1069. This was due to return funds of \$7,689.82 into the 2014 program year, \$217.78 into the 2015 program year and \$1,436.16 into the 2016 program year.

The City had \$286,925.90 of unexpended, but committed HOME funds at the end of previous program year and received \$193,540.00 of PY2017 HOME entitlement funds. The HOME Program also received program income of \$11.30 for PY2017. Balance of program income on hand at the end of this report is \$0.00.

		2 (2.1	expended Citywide. 40% was expended in
Citywide	100	60	designated low/mod areas

Table 4 – Identify the geographic distribution and location of investments

Narrative

The PY 2017 Action Plan did not identify target areas, as defined by the CDBG Program for allocating resources to specific areas. The City of Altoona allocation process is based on an application for funding. The Community Development staff annually reviews and scores applications for funding from nonprofit organizations. All funding recommendations are approved by the City Council.

The City of Altoona will focus attention on the low- and moderate-income neighborhoods identified in the map, however experience shows that a programmatic approach, rather than a geographic approach, works best in Altoona. To meet the needs of all low and moderate income residents, the City routinely expends funds outside the identified low/mod geography when the beneficiaries qualify. A comparison over three prior decades indicates a decrease in the number of neighborhoods that are low and

moderate income. This is an indicator of the success of HUD-administered programs in Altoona, and also an indicator of the deconcentration of low-mod individuals and families throughout the City.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The HOME Rental Rehabilitation Program has met its goal every year in the current 5-yr Consolidated Plan, propsed 8 and completed 8 during the 2017 PY. The IDA Lexington Park Project proposed the rehabilitation of 6 housing units and has completed 6 housing units during the 2017 PY. The IdA Woodrow Wilson Gardens Project proposed 50 units and 0 units have been completed during 2017. The problem encountered with the HOME dollars for the City of Altoona is the limited amount of grant received. The City of Altoona requires accumulation of monies over a two year period in order to assist CHDO projects. This has caused project accomplishments to carry into the next program year to complete.

Discuss how these outcomes will impact future annual action plans.

Proposed outcome may deviate from year to year but overall goals will be met. At this time, the City of Altoona is not anticipating any changes to future action plans under the current 5-yr plan.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Narrative Information

Number of households served under the HOME Program for the following two activities: (4) 1 person households - White- Single - Non-Elderly; (1) 2 person household - White - Single Parent; (3) 3 person households: 1 household, 2 parents-Black; 2 households-Single Parent-White; (1) 4 person household - 2 parents - Asian/White; (2) 5 person households: 1 household-2 parents-White, 1 household-Single parent-White.

Activity #1 - HOME Rental Rehabilitation Program: 15 extremely low-income persons 0 to 30% of median income; 1 low-income person in the 50 to 60% of median income.

Activity #2 - HOME IDA Lexington Avenue Project (CHDO): 2 extremely low-income persons 30-50% of median income, 11 low-income persons 50-60% of median income.

No CDBG funds budgeted, expended or applications received under affordable housing in accordance with Section 215 definition of Affordable Housing.

As of June 30, 2018, three units have yet to receive initial tenants for reporting purposes under "HOME Actual" in the chart above.

The numbers generated this year are on track with the City of Altoona's 5-year plan. All households identified are renter households.

Worst Case Needs: The City of Altoona's Housing Programs under the CDBG and HOME Programs address the low end part of the market. The City continues to work with Blair County Community Action Agency and Family Services, Inc., to help worst case needs people to improve their housing and to build a fully accessible homeless shelter. The city is is unaware of any large scale involuntary displacement.

Foster and Maintain Affordable Housing: Because of the limited HOME funding no other actions were taken to foster and maintain affordable housing.

Section 215 definition: The City of Altoona's Rental Rehabilitation Programs specifically use the conditions of Section 215 as contract language.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

UPMC Behavioral Health of the Alleghenies (UPMC BHA) (formerly known as Home Nursing Agency - HNA) has a PATH program (Projects in the Assistance in Transition from Homelessness). This program is a case management style outreach program. The case manager for this program can meet with anyone, anywhere in Blair County to assess their needs and offer resources and assistance in locating housing. PATH is the 'Clearing House' for all in-house housing services at UPMC BHA, this person can meet with anyone and makes referrals to our other programs, or outside of our organization if we cannot help.

HARP (Housing Assistance and Rental Project) program, this is the HUD homeless program. This program offers rental assistance and supportive services to individuals who meet the HUD definition of literally homeless. The program operates using a Housing First approach and are connected with the local Coordinate Entry system. Individuals in the program pay 30% of their income towards rent with the goal being that they will become self-sufficient and no longer need our services. There is currently no time limit on this program.

Family Services, Inc. works closely with Blair County Community Action to determine who is in the Que through the Coordinated Entry Program. Persons who are unsheltered get priority for the next available bed in the shelter. If other needs are reported, they would be offered services that are available through Family Services, Inc.

The Altoona/Blair County Community Action Agency (CAP) provides a HUD approved Housing Counseling Program (HUD HCP) offering one-on-one counseling services and workshops in the following areas: Pre-Purchase, Post-Purchase, Mortgage Delinquency, Rental and Near Homeless. In each of these categories, budgeting plays a vital role in educating individuals and families regarding basic financial planning. 134 families assisted with 175 services.

Addressing the emergency shelter and transitional housing needs of homeless persons

UPMC BHA offers transitional housing through the Blair House. It is a 4-month transitional housing program for individuals who are homeless or at-risk of becoming homeless. Tenants can stay up to 4 months and they pay 32% of their income to resident there. While there they are linked to UPMC BHA PATH program to assist with exploring housing options for after the 4 months.

Blair County Community Action Agency (CAP) receives Blair County Emergency Solutions Grant Funds for Rapid Re-Housing. Funds are used for housing relocation and stabilization services to provide short-

and/or medium-term rental assistance to help homeless individuals or families move as quickly as possible into permanent housing. Eligible Costs include, utilities, rental application fees, security deposits, last month's rent, utility deposits/payments, moving costs, housing search and placement. Services also include housing stability, case management, landlord tenant mediation, tenant legal services and credit repair. CAP also operates a Homeless Prevention program providing housing relocation and stabilization services with short- and/or medium-term rental assistance to prevent individuals/families from becoming homeless and in need of an emergency shelter. Eligible costs include utilities, rental application fees, security deposits, last month's rent, utility deposits/payments, moving costs, housing search and placement, housing stability, case management, landlord tenant mediation, tenant legal services and credit repair. Served 8 families.

Family Services, Inc., did not receive PA Emergency Solutions Grant funds to operate their three (3) shelters.

Family Services Incorporated applied for and received County Emergency Solutions Grant-Rapid Rehousing funds to assist clients in our Family Shelter and Domestic Abuse Shelter/Victim Services clients to assist them in moving into Permanent Housing. Family Services had total Rapid Rehousing funding of \$86,600.00, to provide Security Deposits, Rental Assistance, Utility Deposits, and moving expenses. The balance of these funds will continue to provide services into 2018/2019.

2 women from the Domestic Abuse shelter were provided with Security Deposits and Rental Assistance.

11 Men, Women, Families from the Family Shelter were provided with Security Deposits and Rental Assistance.

Security Deposits = \$7,655.50

Rental Assistance = \$6,235.00

Other Services = \$1026.13

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

UPMC Behavioral Health of the Alleghenies (UPMC BHA) operates a personal care home referred to as Tartaglio Personal Care Home. Residents must have an Axis I Mental Health diagnosis and have a completed MA-51 signed by a doctor stating that they cannot live independently. This home is a diversion from the state hospital or inpatient stays. UPMC BHA also operates the Blair House with the

CAPER

14

first floor being transitional housing where residents can stay up to 4 months and work with the PATH Housing Coordinator to obtain other housing. The 2nd and 3rd floor are permanent apartments where rent is based on their income. Both need an Axis I Mental Health diagnosis.

Family Services, Inc. offers assistance with utilities, rents, and other crisis assistance on a case by case basis through our charitable donations. In general we are able to assist when other agencies no longer have funds or if the person does not meet some of the requirements of other programs.

Blair County Community Action operates a HAP-Rental Assistance and PHARE Programs for residents who are at risk of being homeless due to eviction or to secure housing for those who are currently homeless. The range of services provided are rental/mortgage assistance (security deposit, first month's rent, rental arrearages) and utility assistance (utility arrearages). Served 17 families.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Home Nursing Agency (HNA) of Altoona operates a Projects in the Assistance in Transition from Homelessness (PATH) program. This a Housing Case Management Program. HNA receives Office of Mental Health & Substance Abuse Services (OMHSAS) funding from Blair County the funds serves County residents 18 years or older, who have an Axis I Mental Health Diagnosis and who are homeless or at-risk of becoming homeless. 113 individuals served. HNA also operates a Housing Assistance and Rental Project (HARP) for Blair County residents 18 years or older, with an Axis I Mental Health diagnosis. Assistance is provided to people in need of obtaining an apartment in the community and rental subsidy, services of a housing case manager are also provided. The goal is to increase the client's income or access affordable housing (Section 8). 29 households served. HNA also operates the Juniata House which is a single room occupancy (SRO) where residents sign leases with no time limit on their stay. It is completely independent housing, with no staff on site. This is a HUD homeless permanent housing program with 8 residents over the past year.

The goal of the Family Shelter, operated by Family Services, Inc. is to provide safe housing for homeless individuals and families while assisting them in securing employment and permanent housing. We serve men, women, children and veterans.

Resume writing and other job seeking efforts are facilitated while at the shelter along with referrals to housing and other needed resources.

The Blair County Community Action Agency (CAP) provides a HUD approved Housing Counseling Program (HUD HCP) offering one-on-one counselling services and workshops in the following areas: Pre-

Purchase, Post-Purchase, Mortgage Delinquency, Rental and Near Homeless. In each of these categories, budgeting plays a vital role in educating individuals and families regarding basic financial planning. Served 134 families with 175 services.

Blair County Community Action Agency also provides housing counseling and temporary financial assistance for eligible low-income veterans and families that are homeless or about to become homeless. They also assist with referrals to Veteran Administration rehabilitation counseling, VA job search assistance and other federal, state, and local benefits. Served 22 families.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The Altoona Housing Authority is currently addressing the need of public housing by keeping our waiting lists open. Fairview Hills, Green Avenue Towers and 11th Street Towers are all currently accepting applications. The waiting list moves based upon move outs. Only those that fit the HUD approved income guide lines will be accepted into the program.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The Altoona Housing Authority will continue to install a sense of pride in their residents so that they want to engage in providing safe and secure housing. The Authority currently has private security with two (2) full time officers patrolling the family and elderly public housing developments. The Authority partners with the Gloria Gates Memorial Foundation to provide a five day a week After School Program for the children residing at Fairview Hills. The Altoona Housing Authority wants to make their housing developments suitable places for families and children to reside.

The Altoona Housing Authority has many chances to be involved with Management. The Authority has a Resident Advisory Board, the RAB board members are told what is going on in the communities and they are asked what they would like to see improved. There are a couple meetings during the calendar year. As far as home ownership is involved the Housing Authority has a few programs that can help the chances of home ownership. One of them being the Family Self Sufficiency program which was created to help families become more self-sufficient. Each resident that is involved in the program receives and escrow account that in time they have access to. Many residents have used their accounts for homeownership or to pursue higher education. The Housing Authority also bases each individuals rent off of 30% of their income, so as a tenants rent goes up they are able to pay the higher amount of rent. In a way it could simulate paying a mortgage and other homeownership bills.

Actions taken to provide assistance to troubled PHAs

The City of Altoona's PHA is not troubled.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

An identified barrier to affordable housing is a financing gap for first-time homebuyers. First-time homebuyers are having difficulty with closing costs. The private sector continues to address the issue. The City does not use federal funds to help close this gap because once the City uses those funds, the lead-based paint requirements apply. The cost associated with mitigation will often put the total cost of the house beyond reach of the average purchaser. That being said, several changes were made to our zoning regulations to allow a wider variety of housing types to be constructed in the City, including more dense types such as townhomes. This mitigated a regulatory barrier to affordable housing. Also, the amendments to our zoning that were suggested by our current Analysis of Impediments to Fair Housing Choice were adopted into law by Altoona City Council on July 12, 2017. Two additional rounds of zoning ordinance amendments are currently in the process of being adopted. Through our Blight Task Force and Action Team, we are also working on ways to make our housing rehabilitation programs more aggressive, flexible, and effective. This will help to maintain housing prices by retaining and improving our existing housing stock.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The major obstacle to meeting our needs is our limited financial resources. The primary action taken in addressing this obstacle is identifying additional financial resources and leveraging funds with available state and local resources. An additional strategy we use to stretch our funding is to coordinate with other local service provider organizations -- so to minimize duplication of service and maximize collaborative efforts.

Despite this, we are working on a future CDBG project to help support the establishment of a new major homeless shelter. Our zoning has been amended to make it easier to make our existing housing stock more accessible, and our housing rehabilitation programs continue to support this where they can.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The City's housing rehabilitation program has integrated lead paint remediation into every application funded where lead paint has been found. There are no plans to alter this approach to lead remediation. The approach includes notification, inspection, testing, and remediation procedures concerning lead paint in accordance with federal regulation. In addition to the above, the City continues to address two other facets of the lead paint program. The first is to provide educational materials explaining the dangers of lead exposure, particularly in children. The second facet is to ensure the City makes proper referrals for health screening and care when lead is discovered in a unit which is being rehabilitated with

HUD monies. These activities are undertaken through a contract with EADS Engineering to perform lead-based paint risk assessment and clearance testing.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

Virtually all of the City's housing activities, programs and projects are intended to benefit low to moderate income persons, and moreover, to reduce the number of poverty level families. One of the City's primary anti-poverty components of the CDBG and HOME programs is to provide safe and sanitary housing for the low and moderate income individuals residing in the City. Because two thirds of City residents own their home, a high percentage in comparison with State and National figures, maintaining low to moderate income residents in their own home is a primary component of the City's antipoverty program. The City addresses this through its ongoing single family housing rehabilitation program and the rental rehabilitation program and projects funded through the City's CHDO providing affordable housing. Providing safe and affordable housing opportunities for the low to moderate income population is a major deterrent to poverty. The City also uses CDBG to rebuild infrastructure (street reconstruction, street lighting), provide special neighborhood policing, and provide special code enforcement. Although these actions improve the quality of life of our low to moderate income residents more than address their poverty, they are still important.

Other City and local efforts aggressively support economic development and the establishment of new jobs and the retention of old ones. However, these are not funded through CDBG or HOME.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The Department is aware of a few minor gaps in delivery of services in Altoona. These gaps are not related to institutional capabilities, but rather in insufficient funding of the services. The major strength in the delivery system rests in the fact that the human service agencies, housing agencies, and the City of Altoona operate in a small geographic, demographic, and socioeconomic environment. As a direct result of this, routine communication and coordination is easy. It is most often accomplished through our monthly Local Housing Options Team meetings at the Blair County Community Action Agency. At these meetings, nearly every social service provider in Blair County sits around the table and coordinates their efforts.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The City of Altoona created the Altoona Housing Authority (AHA), a body independent of city government whose members are appointed for staggered terms of office by the Mayor with a concurring vote from Altoona City Council. This organizational relationship is determined by Pennsylvania Law. The administrative activities of the agency are determined in accordance with Pennsylvania law and agency policy, including hiring, contracting and procurement. The relationships between the Altoona Housing Authority and the City of Altoona can be delineated by contract for

specific projects. The City and the Housing Authority cooperate in providing police protection to the housing projects and provide funding assistance for specific housing projects. The City also reviews and concurs on capital improvements conducted by the AHA and provides annual inspections on rental units under the City's rental inspection program. The construction of new developments or the demolition or disposition of existing developments is within the exclusive purview of the Housing Authority, although the authority consults routinely with the City of Altoona on these matters. Coordination is also accomplished through our monthly Local Housing Options Teams meetings at the Blair County Community Action Agency. At these meetings, nearly every social service provider in Blair County sits around the table and coordinates their efforts.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

See Attachment "2" update to the 2015-2019 Analysis of Impediments to Fair Housing Choice. The update is provided by Southwestern Pennsylvania Legal Services, a firm under contract with the City of Altoona to provide these services. The update encompasses activity and people assisted between July 1, 2017 and June 30, 2018.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

The Community Development staff engages in monthly meetings reviewing the status of the program as a whole as well as each individual project. Each CDBG sub-recipient and/or interagency recipient is required to submit quarterly progress reports on their project status, along with the applicable documentation on persons/households or area served. Each individual project has its own set of required documentation to be submitted as set forth in the subrecipient and/or interagency agreements. Our 2015-2019 Consolidated Plan was prepared according to HUD's planning requirements and approved by HUD. Every project is reviewed against the City's adopted comprehensive plan for consistency.

When invoices are submitted for reimbursement, the Community Development staff determines if a subrecipient/interagency recipient is charging costs to the project which are eligible under applicable laws and CDBG regulations, and reasonable in light of the services or project delivered. For construction projects that are monitored by the Labor Compliance Officer, for wage rate compliance, interviews and certified payrolls and all other documentation required for compliance has been received before payment is made to the Contractor.

Risk assessment analysis is conducted at the beginning of the program year to determine if the subrecipient will require a desk top, six month or annual site visit monitoring. This is based on several factors such as experience with HUD funds, any previous compliance issues, staff turnovers, size of the award, and history with the subrecipient.

The City of Altoona's Community Development Dept. underwent an annual audit to ensure compliance with federal and state regulations, local practice, as well as established accounting practices during Program Year 2017.

The City's Minority/Women Business Outreach Program is designed to ensure the inclusion, to the maximum extent possible, of minorities and women, and entities owned by minorities and women, in all contracts entered into by the City in order to facilitate the activities of the City to provide affordable housing authorized under the Cranston-Gonzalez National Affordable Housing Act and any other fair housing law applicable to the City. In addition, the Program implements 24 CFR Part 85.36 (e) which outlines the actions to be taken to assure that minority business enterprises and women business enterprises are used when possible in the procurement of property and services.

The City of Altoona includes CDBG and HOME programs in their outreach and bidding process for MBE/WBE's participation. A current list of MBE/WBE for the Blair County Area is provided to agencies under a subrecipient agreement with the City and also City Departments under an Interagency

Agreement that handle CDBG or HOME projects. The MBE/WBE's are sent emails advising them of the request for bids or proposals being offered by the City of Altoona. This is documented by copies of the emails submitted to the MBE/WBE. Any responses from the MBE/WBE are maintained in the appropriate project files. The successful prime contractor is also provided the current list of MBE/WBE which is incorporated into their contract. During Program Year 2017 no responses have been received from any Minority Business Enterprises or Women Business Enterprises.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

A legal notice was published in the Altoona Mirror (local newspaper) on August 27, 2018, on the City's web site and the City's Public Access Channel. This notice explained the availability of the 2016 CAPER. A copy of the following IDIS Reports were available for the public to review prior to the public hearing. During the 15 day comment period no public comments were received.

The notice read as follows:

The City of Altoona will hold a public hearing on Thursday, September 6, 2018 at 5:00 P.M., in the City Hall Conference Room, 4th Floor, City Hall, 1301 12th Street, Altoona, PA regarding the 2017 HUD Consolidated Annual Performance Evaluation Report (CAPER). The CAPER covers program activities during the period of July 1, 2017 through June 30, 2018, for Community Development Block Grant (CDBG) and HOME Investment Partnership Program (HOME) projects and expenditures. The purpose of the hearing is to provide the public with an opportunity to comment or ask questions about the CAPER and the City's use of HUD funds. Comments will be received from September 7, 2018 through September 21, 2018. Persons unable to attend the scheduled public hearing are invited to submit comments and questions to: Lee C. Slusser, Director, City of Altoona Community Development Department, 1301 12th Street, Suite 400, Altoona, PA 16601. The 2017 CAPER will be available for inspection on September 6, 2018 at the following locations during regular hours of operation: Office of the City Clerk, City Hall, 1301 12th Street, Suite 100; City Community Development Department, 1301 12th Street, Suite 400; Altoona Housing Authority, 2700 Pleasant Valley Boulevard; and the Altoona Area

Public Library, Reference Section, 1600 Fifth Avenue. The City of Altoona must submit its CAPER to the U.S. Department of Housing and Urban Development no later than September 28, 2018. Individuals who require auxiliary aids for effective participation are invited to make their needs and preferences known to the City of Altoona Community Development Department, 949-2470, TDD 711 or FAX 949-0372.

No comments received from the public during the 15 day comment period.

The local news media was the only attendee at the public hearing. Staff discussed, with the media, the 2017 CDBG and HOME projects under each priority category established by the 5 year plan. Each individual project, expenditures and accomplishments were reviewed. Minutes of the public hearing are provided in Attachment "4".

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

No changes in the program objectives occurred during the Program Year 2017.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

CR-50 - HOME 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

In accordance with the HOME Program regulations, the City conducted several on-site inspections of affordable rental housing units during this Program Year. HOME on-site inspections were conducted by City staff to ensure compliance with income and rent requirements as well as local property standards during a project's period of affordability. Inspections comply with the following schedule: 1-4 Units every 3 years; 5-25 Units every 2 years; 26+ Units annually.

Where projects may utilize other state or federal funding sources requiring inspections, the City may accept such reports to ensure compliance with applicable standards. Irregardless of the source of funding, all inspections shall uphold local code requirements as a minimum. All deficiencies noted were remediated.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 92.351(b)

In accordance with the City's commitment of non-discrimination and equal opportunity in housing, it has established procedures to affirmatively market units rehabilitated or assisted under the HOME Investment Partnership Program. These procedures are intended to further the objectives of Title VIII of the Civil Rights Act of 1968 and Executive Order 11063.

The City believes that individuals of similar economic levels in the same housing market area should have available to them a like range of housing choices regardless of their race, color, religion, sex, familial status, handicap or national origin. Individuals eligible for public housing assistance or who have minor children should also have available a like range of housing choices. The City will carry out this policy through affirmative marketing procedures designed for the HOME Program.

Participating landlords and property managers are required to agree to the following Affirmative Market requirements.

The Borrower/Property Owner certifies that, to the extent that there are vacant units in properties being rehabilitated through the HOME Program, those units will be marketed in an affirmative manner to attract tenants, regardless of race, color, religion, sex, familial status, handicap, and national origin. In soliciting tenants and buyers, the Borrower/Property Owner agrees to: use the Equal Housing Opportunity logo, slogan, or statement in all advertising; where appropriate to advertise, use media, including minority outlets, likely to reach persons least likely to apply for the housing; maintain a nondiscriminatory hiring policy; adopt a fair housing policy; display a Fair Housing poster in the rental and sales office, where appropriate; and where there is a project sign, display the Equal Housing Opportunity logo, and to follow the City of Altoona's Affirmative Marketing Plan.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

Program income received for PY2017 was \$11.30. \$0.00 was available at the beginning of the PY2017. Balance on hand at the end of this report period is \$0.00. \$11.30 PI dollars were expended during the PY2017. Program income was expended on the Rental Rehabilitation Program, Activity #1093 (Owner: Biddle, 906 6th Avenue, Altoona, PA).

The HOME project "Rental Rehabilitation Program" was reported in this program year, with eight (8) units being completed and five (5) occupied at the time of this report. Four (4) White households and one (1) Asian/White household. The "Lexington Park Rehabilitation" HOME project was completed this program year, with six (6) units being completed and occupied. Five (5) White households and one (1) Asian and White household.

The "Lexington Park Rehabilitation" HOME project was completed this program year, with six (6) units being completed and occupied. Five (5) White households and one (1) Black African Amercian household.

Describe other actions taken to foster and maintain affordable housing. 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 91.320(j)

Because of the limited HOME funding no other actions were taken to foster and maintain affordable housing.

The City will continue to use CDBG and HOME funds for rehabilitation programs, and to encourage the creation of affordable housing opportunities as they arise.

Further, the City has a strong code enforcement program and rental property inspection program that is used to prevent blight and improve the housing stock.

Update to the 2015-19 Analysis of Impediments to Fair Housing Choice

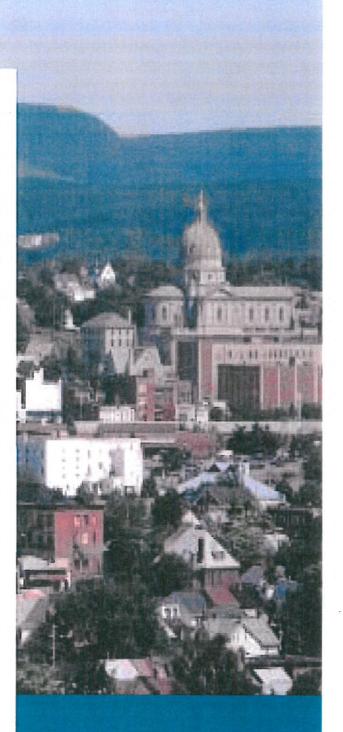

Program Year 2017

Update to the 2015 Analysis of Impediments to Fair Housing Choice

2018

Southwestern PA Legal Services

Update to the 2015 AI

Identified Impediments to Fair Housing Choice

The City of Altoona's FY 2015-2019 Analysis of Impediments to Fair Housing Choice ("AI") identified six impediments to fair housing choice. These six impediments were:

- 1. Fair Housing Education and Outreach
- 2. Continuing Need for Affordable Housing
- 3. Continuing Need for Accessible Housing Units
- 4. There is a Lack of Financial Resources
- 5. Economic Issues Affecting Housing Choice
- 6. Public Policy

The City also identified a goal for each impediment as well as strategies to be undertaken to achieve the identified goal.

In June 2017, the City of Altoona contracted with Southwestern Pennsylvania Legal Services, Inc. ("SPLS") and their fair housing program, the Fair Housing Law Center, to provide fair housing services for the city and its residents. This was the third year in which the City contracted with SPLS and the Fair Housing Law Center for these services. The services contracted would fall into one of three general categories: Education and Outreach; Referrals and Enforcement; and Administration/Technical Assistance/Consultation. The agreement between the City and SPLS was to run from July 1, 2017, through June 30, 2018.

The activities to be performed under the contract were intended to address the City's identified impediment regarding "Fair Housing Education and Outreach." The AI stated that "That there is a continuing need to educate residents of the community concerning their rights and responsibilities under the Fair Housing Act and to raise awareness that all residents of the City of Altoona have a right under federal law to fair housing choice." To address this impediment, the City identified the following goal; "Improve the public's knowledge and awareness of the Federal Fair Housing Act, and related laws, regulations, and requirements to affirmatively further fair housing in the region."

To achieve this goal, the City identified the following five strategies:

- Continue to promote Fair Housing awareness through the media, seminars, and training to provide educational opportunities for all persons to learn more about their rights under the Fair Housing Act and the Americans with Disabilities Act.
- Continue to make available and distribute literature and informational materials
 concerning fair housing issues, an individual's housing rights, and landlord's
 responsibilities to affirmatively further fair housing.
- 3. Educate and promote that all residents have a right to live outside impacted areas.
- 4. Include a link on the City's website concerning the Fair Housing Act and information on filing a fair housing complaint.
- 5. Contract with an outside Fair Housing Agency to provide fair housing services.

Several of the activities performed by the Fair Housing Law Center addressed multiple strategies identified by the City. The following is a summary of the activities performed by the Fair Housing Law Center from July 2017 through June 2018.

Education and Outreach

There were numerous activities performed under the general category of "Education and Outreach." Most of these activities satisfied strategies 1, 2, and 3 as identified by the City. The activities performed fell into one of four categories of services: Training; General Education and Outreach; Fair Housing Month Activities; and Fair Housing Materials.

Trainings

The Fair Housing Law Center staff, utilizing their knowledge and experience, conducted four fair housing trainings in the City of Altoona. The audiences for these events were selected through consultation with the City. The four trainings conducted by the Fair Housing Law Center were as follows:

- August 3, 2017 Altoona VA
- November 3, 2017 Altoona Housing Authority Landlord's Workshop
- November 29, 2017 Altoona Family Services Shelter
- December 14, 2017 Altoona Family Services Shelter

These trainings directly addressed strategy 1, while also addressing strategies 2 and 3.

General Education and Outreach

In order to further develop and cultivate the collaborative partnerships established, during the previous fiscal years, with agencies operating in the City of Altoona, a Fair Housing Law Center staff member attended the Local Housing Options Team ("LHOT") meeting on behalf of the City of Altoona to share and disseminate fair housing information and materials. The following is a list of the LHOT meetings attended:

- July 19, 2017
- September 20, 2017
- January 17, 2018
- May 16, 2018

It should be noted that there was no LHOT meeting in November 2017, additionally, the March 2018 meeting was cancelled due to inclement weather.

The Fair Housing Law Center's attendance and participation at these LHOT meetings on behalf of the City of Altoona addressed strategies 1, 2, and 3 as identified by the City.

Fair Housing Month

In honor of the 50th anniversary of the passage of the Fair Housing Act and the 50th anniversary of the passing of Dr. Martin Luther King Jr., the Fair Housing Law Center sponsored a poster contest for students in grades 5-8 and grades 9-12. The winning posters were posted and featured on the Fair Housing Law Center's website (fhlaw.org).

POSTER CONTEST

Fair Housing Materials

As an additional means of addressing strategies 1, 2, and 3; the Fair Housing Law Center produced various fair housing materials for the City. The Fair Housing Law Center produced 250 brochures, 225 Fair Housing Claim Kits, 100 magnets, and 50 posters for distribution to various agencies and service providers throughout the City of Altoona.

Referrals and Enforcement

The activities performed by the Fair Housing Law Center under the category of "Referrals and Enforcement," are directly related to strategies 2 and 3. Under this category of services the Fair Housing Law Center conducted Fair Housing Clinics in the City, as well as, monitored and responded to inquiries made to the City's Fair Housing Hotline.

Clinics

The Fair Housing Law Center hosted two Fair Housing Clinics geared towards landlords operating within the City. Both clinics were advertised with assistance from the City and through the monthly LHOT meetings. The dates of the two clinics were as follows:

- November 28, 2017
- June 13, 2018

City of Altoona's Fair Housing Hotline

As part of the "Referrals and Enforcement" component, the Fair Housing Law Center monitored the City's Fair Housing Hotline and responded to any inquiries made. Any potential fair housing violations and complaints would be referred to a Fair Housing Law Center attorney for follow-up and the filing of housing discrimination complaint, if necessary. The following is a summary of the phone calls received from July 1, 2017, through June 20, 2018.

- 37 total calls were made to the hotline.
- Six individuals contacted the hotline with a legitimate fair housing issue and were referred to and contacted by the Fair Housing Law Center. The issues referred dealt

- with emotional support animals, possible discrimination based on race, and requests for reasonable modifications.
- Two individuals who contacted the hotline with legitimate fair housing issues had those issues resolved through the assistance of the Fair Housing Law Center.
- 12 callers had landlord/tenant or evictions issues and were provided advice regarding their issues. Where appropriate referrals were made to MidPenn Legal Services or the local legal service provider for that individual.
- 10 callers called with general housing related questions and were provided advice where appropriate or provided information regarding community housing resources.
- Four callers called inquiring into housing or homeless services.
- Two callers had utility related questions.
- One caller had questions regarding housing code issues.

Administrative/Technical Assistance/Consultation

The activities performed by the Fair Housing Law Center under this component address strategies 2, 3, and 5. Under this component the Fair Housing Law Center staff was available to the City of Altoona to provide technical assistance on fair housing matters as needed or requested by the City. Additionally, the Fair Housing Law Center staff would be available to attend and participate in any relevant meetings as requested by the City. Finally, the Fair Housing Law Center staff would be available to the City to consult on any fair housing matter that may arise, including advocacy in support of needed legislation to achieve equal housing opportunities throughout the City. The Fair Housing Law Center would also produce this report, which is to serve as the annual update to the City of Altoona's 2015 Analysis of Impediments to Fair Housing Choice.

Annual AI Update

The production of this report, as well as the agreement between the City, SPLS, and the Fair Housing Law Center addresses strategy 5. This report is intended to highlight the activities performed by the Fair Housing Law Center on behalf of the City and the results of those activities as they relate to the five identified strategies to address the "Fair Housing Education and Outreach" impediment to fair housing choice as identified in the City's AI.

Other Services

The City did not request any technical assistance, nor did they request our attendance and participation in any other meetings. The Fair Housing Law Center was able to utilize this budgeted time to attend and participate in seven other events in the City of Altoona. The following is a summary of those events:

- Three events for Family Services of Altoona
 - o September 15, 2017
 - o October 26, 2017
 - o May 20, 2018
- 2017 CommUNITY Resources Fair on October 17, 2017
- VA Re-Entry Fair on May 9, 2018
- Altoona Senior Fair on June 15, 2018
- Altoona Housing Authority and CYS Family Fest on June 20, 2018

At each of the events the Fair Housing Law Center staff was available to distribute fair housing materials and provide any other additional information to attendees. These activities directly address strategies 2 and 3.

The Section 3 packet includes an explanation of Section 3 of the Housing and Urban Development Act of 1968, a work force needs table, a manpower utilization training table, an affirmative action plan for Section 3 businesses and individuals, and a Section 3 certification form for businesses and individuals. The City of Altoona also advertises Section 3 opportunities routinely on our public access television channel. This notice invites Section 3 businesses/individuals to register with us. In spite of these various efforts, unfortunately, we were not able to find or contact any Section 3 business or individuals in the 2017 Program Year. Only one business in the Altoona area is registered as a Section 3 business according to HUD's Section 3 Business Registry. In the upcoming 2018 program year, the City of Altoona will expand their search into other nearby cities. A list will be created to send each CDBG and HOME bid notice that includes both the Altoona, State College and Johnstown areas. It is hoped that this will make Section 3 more effective in our community.
